

INSTRUCTIONS FOR NATIONAL HISTORIC PRESERVATION ACT FORM
INFORMATION REQUIRED BY THE NEBRASKA STATE HISTORICAL SOCIETY
UNDER PROVISIONS OF THE NATIONAL HISTORIC PRESERVATION ACT

The proposal should be described at the “In Re” section of the enclosed National Historic Preservation Act Form, with attachments added as needed. The description must include the following:

1. The name and location of your bank.
2. Location of the proposed work (*street address and legal description*).
3. A description of the work (*e.g., demolition and new construction, remodeling of an existing structure, new addition*) including both the existing situation and the proposed changes.
4. Snapshots clearly showing the properties in question including a general view of the exterior and more detailed views of the features where changes are proposed.

In connection with relocation to a new site, the above information will be required for both the present facility and the proposed new site.

NATIONAL HISTORIC PRESERVATION ACT FORM

Kansas City, MO 64108

IN RE:

A review of our records relative to the existence of any site(s) of historical, cultural, architectural, and/or archeological significance, which might be affected should favorable consideration be given to subject application, reveals the following:

- ☐ There is/are presently no historical, cultural, architectural, and/or archeological site(s) of significance in the area of the undertaking's potential environmental impact which might be affected should favorable consideration be given to subject application.
- ☐ The historical, cultural, architectural, and/or archeological site(s) of significance as indicated on attached correspondence is/are located in the area of the undertaking's potential environmental impact and might be affected should favorable consideration be given to subject application.
- ☐ Additional information relative to the exact location is required to allow determination of the existence of any site(s) of historical, cultural, architectural, and/or archeological site(s) of significance which might be affected should favorable consideration be given to subject application.
